Subject: For Jim C: Please see my questions re: Region's dedicated funds request for litigation driven TMDL work
Attachments: Litigation need statements_Julyu24_2018.docx

Importance: High

Hi Jim

I've attached a table that outlines the TMDL Dedicated funds request that we've received from the Regions. Could you please take a look at what I've highlighted in yellow. Those are the areas I have questions for you.

Because this is budget related and Eric has quick deadlines, if you could review this today, he'd really appreciate it.

Thanks
